### Precious Princesses, you're invited

Join us for a special Son-rise celebration Saturday, March 3, at the palace (old fellowship hall), 9-10:30 a.m.

We will be on a roll as we roll stones, bake resurrection rolls, and rock 'n' roll. Invite a friend, but let us know if you'll be there so we will have plenty of "stuff." [704.434.9462](tel:704.434.9462).

### Help plan Ladies Night Out

Any lady who would like to help with this year's Ladies Night Out is invited to a meeting Sunday, March 4, at 5 p.m. in the Shelva Wilson classroom. Because the speaker is well known, we expect a large crowd so we need all of your talents. This is an exciting time. Don't miss out.

**Chest discomfort.** Most heart attacks involve discomfort in the center of the chest that lasts more than a few minutes, or that goes away and comes back. It can feel like uncomfortable pressure, squeezing, fullness or pain.

**Discomfort in other areas of the upper body.** Symptoms can include pain or discomfort in one or both arms, the back, neck, jaw or stomach.

**Shortness of breath** with or without chest discomfort.

**Other signs** may include breaking out in a cold sweat, nausea or lightheadedness.

**Corey Alley** served several years as pastor and planter of a new church in Kannapolis, Mission 217, which grew into a successful church.

In 2017 Corey left that church with a new pastor and went on to start another new church in nearby Concord, northeast of Charlotte.

Our church supported Corey as he started his first church and now we are supporting the new church he is starting — all through our Cooperative Program giving.

In fact, our church has a hand in planting a new church somewhere in North Carolina just about every week on average, because part of our Cooperative Program giving supports our Baptist State Convention’s Church Planting Team who work cooperatively with local churches, associations and others to help get new churches planted.

Today, let’s pray for Corey and ask the Lord to bless him and his family as they turn to their new assignment!
