Another Christmas

I've heard that many people are decorating earlier for Christmas than in the past out of a need or desire to be distracted from the Covid situation. And some I've heard say that they dreaded the coming season because it reminds them of better times or better circumstances. Then there are those, mostly children, who can't hardly wait for Christmas, I'm one of them!

The secret to waiting for those excited ones is also the secret for overcoming the dread of this Season, the secret, focus on the true meaning of Christmas. What is that? It is recorded in Galatians 4:4 which reads:

"When the fullness of time came, God sent forth His Son..."

Rejoice this season in the true spirit of Christmas – God's Holy Spirit. For God so loved us that He gave Jesus, and Jesus gave the Spirit that we might give the gift of Love to one another.

Just a quick update:

Guy is improving every day from his foot surgery. He still has some swelling, but his balance has improved a lot.

Even though it has been hard for Guy, this surgery went better than last time and he is healing much faster.

Guy and I are both glad these surgeries are behind us.

We want to thank everyone for all the kind expressions of love shown to us and especially your prayers.

We are very thankful for our church family and we love each one of you.

*May God bless you all,
Rita and Guy Robbins*
