New Year

As we start out 2021 we are not sure what this year holds, but one thing we do know is who holds the plans for 2021.

Ecclesiastes 8:7 tells us Since no man knows the future, who can tell him what is to come? As humans, it is natural to worry or be frightened because we can not be sure of the future, but we do not need to worry because even though we do not know what the future holds, we know who holds the future. The future is in God's hands, so we are called to rest easy in the plans that He has made for us. We cannot be sure of tomorrow, but we have today, so we need to try to live it the way God planned it. So as we start this year off, let us focus on God and seek his will through praying and asking for his guidance.
