A World Without Coronavirus

The title is a wish and a prayer for all of us as we continue to deal with the dangers associated with the virus and the over two million cases in the U.S. and over 50,000 in the state of North Carolina. Worldwide the numbers are a little scarier with 9 million cases and 500,000 deaths so far, and all this in a little more than 3 months of this year. There will be a sigh of relief nearly audible when all this that is present becomes history.

With all the seriousness of the present situation understood and accepted, we Christians have a much worse number to add, those who die daily without Christ. The latest number from the International Missions Board of the Southern Baptist Convention is 153,000, a frighteningly large number that represents souls who were our fellow earthly citizens that left this life without the saving knowledge of Jesus Christ.

Our congregation supports over 5,000 missionaries around the world whose primary mission is to share their faith in Christ. Pray for them, and pray that our Lord continues to call new missionaries to this worldwide task, for the clock is ticking, 153,000 today, and tomorrow, and the next day, and, and, and.

In His service, Pastor Bill
