"Is Winter all there is to Spring...?"

This is the opening line from a poem written many years ago by yours truly. I meant by it that life seems to come at us in waves of various heights, some lifting us up, some knocking us down. Change is the only constant. Being one who does not like too much change, perhaps like many of you, life challenges my desire for consistency, for confidence in my ability to face tomorrow, the unknown.

The word of God is clear that FAITH is the prerequisite for endurance, in that the knowledge of Reality that comes through faith can provide the strength to endure whatever storm(s) may come in life. We Christians are not saved from death, but rather we are saved from the fear of death because we have seen in Christ that death is not forever, and in conquering death Himself, He did so for us as well.

I'm looking forward to Spring, the official date of its coming this year is March 20th. But more than the occasional mild day and the harbinger of the warmth to come, I'm looking for a wave of JOY to lift us out of our Winter of despair. Christ is that wave, and faith is buoyancy that will lift us up.

Hoping for Spring, Bill

Hey Guys,

As we all know, Spring is quickly on its way! Spring is a time of light and warmth, compared to this cold winter we've had! Even though we see the same four seasons every year we still get excited for them to change.

As Christians we go through different seasons in our walk. Some are bright, warm, and in close contact with the Lord. Others are dark, cold, and even feel isolating at times. No matter how many times our lives change for better or worse, one thing is consistent and that's Jesus!

Hebrews 13:8 "Jesus Christ is the same yesterday and today and forever."

Looking forward to better weather and a closer walk with the Lord as well!

Reese
