Social Distancing

I'm hoping that by the time this article is read we will be in more normal times, though I expect it will be some time before everything is back normal again, if ever. Being apart from our Church family has brought out a deep desire to be together again. You know how "ordinary" being in Church can seem, we can easily take for granted the smiling faces we see week by week. After this "layoff" I think there will be a greater appreciation of one another in our gatherings. Don't give in to despair, we'll be together again soon.

Your staff is still at work and available by phone or text as needed, don't be shy in calling, writing or texting. We also have a number of volunteer "staff" who have been assisting during this separation time with all kinds of work. Those who have been cooking and delivering meals to families in times of loss, those who have helped in the production of our online services, those who have provided us with opportunities for "drive-thru" worship. Thanks to all of you!

Continue to pray for the grieving, for the health care workers, and for each other during these days of social distancing, knowing that our loving Lord is never farther than a prayer away.

By His direction, Bill

To Our Church Family,

Thank you for your cards, each one was special. All the phone calls, delicious food, flowers, and most of all your prayers. They have carried us through each day. May the Lord Bless each of you. Please pray for our family in the days ahead.

*We Love you and Thank you,
Garland Carpenter Family*
