A NOTE to DSBC YOUTH

Game 7 of the 2016 NBA finals is my favorite basketball game of all time. It was between the Cleveland Cavaliers and the Golden State Warriors. I was super invested because it had my favorite player of all time in it, Lebron James. (If you haven't watched it, go watch the last five minutes on YouTube.) The game was tied at 89 for far too long. I have never been so nervous in my life, it made me physically ill. Lebron James and Kyrie Irving end up getting the job done and I celebrated like I was on that team with them myself.

A great thing about being a Christian is that we're on a team with Jesus! Everything has already been taken care of and there is no reason to stress about it. No reason to stress so much that you make yourself sick because you have no idea what outcome lies ahead, because Christ has already secured the victory through His sacrifice. 1 Corinthians 15:57 "But thanks be to God, who gives us victory in our Lord Jesus Christ" So go out in confidence because we already know the outcome!
