Covid Holidays

We sure would love a holiday from Covid, but instead it appears we are in for Holidays deeply affected by the Virus.

There is one possible side benefit among all the negatives, for perhaps we will focus more on the real meaning of the Season – you know –

Thanksgiving – realizing and celebrating our utter dependence on Father God for all the physical needs of our lives. It is by His provision that we are sustained, and yes, he uses farmers and grocers and others to put food in the 'fridge,' but ultimately all "good and perfect gifts" come from God.

And then there is Christmas, so abused in our "culture" by Black Fridays and the Santa Claus-only crowd, but in actuality a celebration of Father God's willingness to give His best gift that we might know who He is and how much He loves us. Christmas – when heaven came down and glory filled our world.

Boo to Covid! We despise it and its effect on our daily lives, but don't let it take away our heart-filled celebration of the 'Holy-Days'!

Patently Celebrating, Preacher Bill

As we enter the Thanksgiving season, I want us to take the time to be Thankful. First print and cut out this coloring sheet and hang it up in your room. When you get out of bed in the morning, I want you to thank God for something. Do you know that God wants us to celebrate Thanksgiving every day of the year? God Blesses each one of us and he wants us to be thankful for those Blessings each and every day! I am so very Thankful for each one of you.

Dear Church Family,

Our family would like to thank our church family for all the many kindnesses we received during Bill's illness. We appreciate all the cards of encouragement that were sent, and we especially appreciate all of the prayers. The delicious food that showed up on our doorstep was a wonderful help. The monetary donations made to DSBC were a great way of showing Bill's involvement and love for his home church. It is great to be a part of such a caring church family. We have always appreciated the closeness of our church, but especially now.

The Family of Bill Wilson

Just a note to say thank you to my church family for making my 90th birthday so special. The cards, calls, visits and gifts created memories that I will always cherish. I am richly blessed to be a part of such a caring church and thank God for each of you.
