A Call for Civility

Civility seems to be slipping away from our culture very quickly but is something we need now more than ever. Mob mentality appears to be marching across our land and the sanctity of human life seems not to be a consideration. Perhaps it's time that we, the church, raise our voice to aid in the process of healing our nation and helping all people to see one another as valued in the eyes of God.

The early church also faced much opposition, and mob mentality was prevalent in a similar manner as today. What we are experiencing is not new, and the body of Christ, as outlined in the book of Acts, can help us see our way forward during this difficult time that we face.

Allow the Bible to speak words of love, encouragement, peace and joy to combat the negativity of our day. Let the Prince of Peace share His peace.

"they devoted themselves to the apostles' teaching, to the fellowship, to the breaking of bread, and to the prayers." Acts 2:42

"You will keep in perfect peace all who trust in you, all whose thoughts are fixed on you!" Isaiah 26:3

Changing Seasons and Our Unchanging God

Growing up, summer was my favorite season! I couldn't wait for school to get out, for the hot summer days, ice cream, and of course the beach. However, as I have gotten older Fall is slowly becoming my favorite season. I love the cool crisp mornings, the leaves changing colors, the trips to the apple orchards with my kids, celebrating Daniel's Birthday, and the list could go on and on. Each year we know that the seasons will change from one to the other. Just as the seasons change, things in our life will also change. Sometimes exciting things will happen in our life that make us happy and sometimes sad things like sickness or someone you love passing away. What I want to share is that seasons in your life will change. Bad times and good times will come and go. You will change as a person. Your friends and family will change. Your home, school or even church could change. But the most important thing I want you to remember is that **GOD WILL NEVER CHANGE!** God will always be there for you and to help you through your season. Ecclesiastes 3:1 reminds us there is a time and season for everything. And Ecclesiastes 3:11 goes on to assure us that God makes everything beautiful in its time. What a mighty God we serve!

As we have just talked about change, this year due to COVID, we are unable to have our yearly Fall Festival. However, we still want the kids to have a sweet treat. So here is the trick to this year's treat. Kids, please check your doorstep this year on Halloween morning. You will find some sweetness for you and some sweetness to share with a friend. We will sure miss seeing your faces at the Fall Festival but look forward to getting together soon!

Jennifer

To say thank you just doesn't seem to say enough for all the blessings I received. I felt all the prayers because I had a calm the morning of my surgery. Tommy & I enjoyed the delicious food sent to us. I smiled and enjoyed each card I received. How blessed I am to be a member of Double Springs Baptist Church.

*In His Love,
Cindy Melton*
