Music to my Ears

Like most, or perhaps all of you, I love music. We all have our various taste in music, and that is good. There is not one of us that is exactly the same and our choice of music reflects that truth. An individual's choice in music is affected by a number of factors, age being one of the main determinants. Now and again I'm surprised by an individual's taste, but in most cases, knowing a person pretty well gives you a good idea of their favorite genre.

I have rather eclectic taste; the main requirement is that it is "musical." Some of the late 80's and 90's 'music' was not, and it is my least favorite. Of course, I understand that many would not appreciate some of my choices as well, and that's okay. This brings me to the point of this article, I miss hymn singing at our church gatherings, and from what I understand, when we 'go inside' for worship at some point there cannot safely be hymn singing. Boo!!!

Fact is, we need the message that these songs bring to our minds, a case in point, the third verse of "Amazing Grace."

*Thro' many dangers, toils, and snares, I have already
come; 'Tis grace hath bro't me safe thus far, And grace
will lead me home.*

May HIS grace be sufficient for you during these difficult days,

Singing in my heart,

Pastor Bill

CONTINUE TO ADHERE TO SOCIAL DISTANCING GUIDELINES OF 6 FEET FROM THOSE THAT DO NOT LIVE IN YOUR HOUSEHOLD.

DBSC Youth

I went to watch a childhood friend preach Sunday. He spoke about RESTORATION. In this case, restoration and redemption can be seen as the same word. The passage he covered was John 21:15-17. In this passage, Jesus is asking Peter (3 times) if he loves Jesus. This is his response to Peter denying Jesus (3 times) before the rooster crows. Peter's denial can be found in Luke 22:54-62. Jesus was restoring and redeeming Peter for his failure to stand up for Jesus when times got tough. The beautiful part of this restoration is that Jesus initiates the restoration. He pursues us and wants us to be restored in our relationship with him. As believers, we need to be restored every day. We are imperfect and sinful, but God is perfect, unconditional love covers our faults and he redeems us. What do you need restored in your life today? In what ways can we be stronger and more faithful in our everyday walk?

Hey Guys

I sure do miss seeing all your smiling faces and hearing about what you all have been doing. I hope you all are settling back into the school routine all though it looks a little different this year. I wanted to share with you all Five Lessons a pencil can teach us.

1-There is a hand that directs the pencil.

The pencil cannot write on its own, it needs our hand to direct it. Just as a pencil, we are only able to create the most beautiful things when directed by someone's hand and that hand is God's hand. Our Heavenly Father wants nothing more than to hold onto us and lead us!

2- A pencil needs to be sharpened.

God wants to sharpen us. The Holy Spirit works in our life and shapes us more and more into God's image.

3- A pencil mark can be erased.

The pencil has an eraser on the top. When we make a mistake and do things we regret, we can ask God to forgive us and he will erase all our sins.

4- A pencil is all about the inside.

The most important part of the pencil is the inside, this is where the lead is and allows the pencil to make a mark. We are like this pencil because God looks at our core, our heart. God knows that our real purpose and talent lies on the inside.

5-A pencil leaves a mark.

When we choose to live as God has directed us, we leave our mark as disciples. Through us, God can create the most magnificent picture of himself.

Keep an Eye out in the mail for your pencil to remind us to rely on God for his help in shaping, directing, and helping us leave a mark.
